

Experience the **Museum of Lifestyle & Fashion History**

THE MLFH TRAVEL PLANNER

In Winter 2009, the Museum of Lifestyle & Fashion History (MLFH) opened in a donated 8,000 square feet facility located inside the Boynton Beach Mall in Boynton Beach, Florida.

Thanks to various donations, including in-kind, the first phase of the renovations were completed to include three exhibit gallery spaces plus an education room for school field trip classes and for the MLFH lecture series. MLFH is a non-profit history museum that was established in year 1999.

To enhance the experience for out-of-town visitors to the Museum of Lifestyle & Fashion History, partnerships with a range of hotels and restaurants have been established.
